Ref. IIC/Award/2026
Date: 16.09.2026

To
All Members

We are aware that Indian Institute of Ceramics has initiated two annual awards, namely **the IIC- Young Engineers Award** and **the IIC- Eminent Ceramist Award**.

The purpose of the **IIC- Young Engineers Award** is to recognize outstanding achievements/contributions made by young engineers in research/education/technology development in the field of glass & ceramics. Any citizen of India with a ceramic engineering degree/passed the Associate Membership Examination of IIC and under 35 years of age as of 31st March of the present year is eligible for this Award.

The purpose of the **IIC- Eminent Ceramist Award** is to recognize the lifetime achievement of a person for his/her outstanding contribution to the advancement of glass & ceramic education/research/Industry in the country. Any Indian citizen above 55 years of age as of 31st March of the present year is eligible for this Award. Preference will be given to nominees having any type of membership of the Indian Institute of Ceramics.

The Institute requests nominations of candidates for the abovementioned **IIC- Young Engineers Award 2026** and the **IIC- Eminent Ceramist Award 2026**.

Members of (any type) IIC can submit their nominations for this award. The Nomination proforma is attached herewith. Please send the soft copy of the signed nomination form by email to iiceramkolkata@gmail.com

Deadline for Nominations: October 26, 2026 (Monday).

Assessment of the Nominations will be done by the Award Committee of the Institute. The result of the selection of the Awards will be intimated through e-mail and also will be published through the Institute website.

With best wishes,

Yours sincerely,
S. Chakraborty
